DAY OF SALE

TUESDAY, APRIL 5th, 1960

commencing at 1 p.m. precisely

ON VIEW Friday and Monday prior and morning of Sale

PRICED CATALOGUE TWO SHILLINGS AND SIXPENCE

CONDITIONS OF SALE.

FIRST.—The highest bidder to be the buyer; and if any dispute arise between two or more bidders, the lot so in dispute shall be immediately put up again and resold, provided the auctioneer cannot decide the said dispute.

SECOND.—No person to advance less than 1s.; above five pounds 5s.; and so on in proportion.

THIRD.—All lots are put up for sale subject (*a*) to any reserve price imposed by the seller and (*b*) to the right of the seller to bid either personally or else by any one person who may be the Auctioneer.

FOURTH.—The purchasers to give in their names and places of abode, and to pay down 5s. in the pound, or more in part of payment, or the whole of the purchase-money, *if required*; in default of which the lot or lots so purchased to be immediately put up again and resold.

FIFTH.—Each lot is believed to be genuine, but should any lot prove to be a forgery, or reprint, or wrongly described in the catalogue, the purchaser is at liberty to take or reject it, provided always that notice of such rejection be made and the lot returned within seven days from date of sale.

SIXTH.—The Auctioneers will not hold themselves responsible for any action that may arise, acting solely as agents between buyer and seller and for both equitably.

The Auctioneers will not hold themselves responsible for the safe custody of any lots left more than three days after the date of sale.

Please Note.

The metal in which the coins are struck is indicated thus:—

N = gold, *Æ* = silver, *Æ* = copper or bronze.

El = Electrum (an alloy of gold and silver).

Bl = Billon (an alloy of silver and copper).

Care is taken to describe accurately the condition of coins and medals, using the following scale: *Extremely fine, Very fine, Fine,* and *Good*. Where no condition is stated it may be assumed that the coins and medals are not in good condition.

PRICED CATALOGUES

Coins

AFTER each sale these catalogues are issued with the prices realised printed in the margin opposite each lot, thus giving at a glance a reliable guide to values.

The final test of value must always be auction prices rather than the figures given in books of reference for changing times and fashions soon render the latter obsolete and misleading.

On the average we issue twelve Coin and Medal catalogues a year, some of which are usually of sales of important collections The **priced catalogues** are posted to subscribers as soon as ready, usually about a week after the date of sale and the subscription is . . . .
